ROCKS N RITUALS

Welcome

LEARN THE TAROT

This course will cover everything you need to know about reading the Tarot, whether you want it for personal use or professional use. Suitable for all levels from beginner to professional - there is something for everyone!

ROCKS N RITUALS

Contents

01

FUNDAMENTALS

You will learn Tarot fundamentals here such as caring for your cards as well as non-Tarot specific information such as elements, numerology & symbolism

02

MINOR ARCANA

Gain a fresh perspective on the Minor Arcana. Tell stories with the suits and find correlations with the Kabbalah and Astrology.

03

COURT CARDS

Understand the nuances of the Royal Tarot Court. Discover hidden meaning in the personalities and understand how they interact with one another.

04

MAJOR ARCANA

Discover what archetypal energy is and the life themes of the Fool's Journey. Uncover astrological correspondences and hidden symbolism and links to the Kabbalah.

ROCKS N RITUALS

Contents

05

QUESTIONS & LAYOUTS

Realise the power of good questions and discover how to answer them using traditional and modern spreads - and learn to create your own!

06

CREATIVE WRITING

Lean into the art of story telling and creative writing to interpret the cards - discover depths of meaning.

07

BECOMING A PROFESSIONAL

If running a Tarot business is your dream then discover all the steps to make it a reality. Don't waste anymore time - make it happen!

08

COMMUNITY

Part of being a successful Tarot reader is having a supportive community and you get that with this course by joining our Mystical Moon Circle Tarot Development Group.

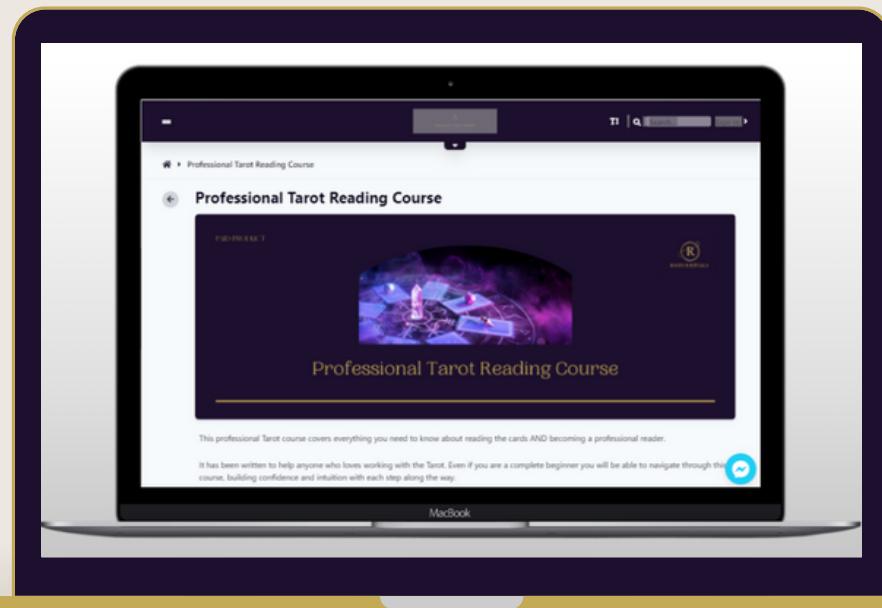

Why you need to LEARN THE TAROT

The Tarot opens up a world of deep introspection and mystery. It helps you develop your intuition. Helps you to analyse problems and make clear decisions. And it also helps you understand people and their motivations. It is so much more than a tool for divination and fortune telling - it is a tool for personal and spiritual development. An absolute necessity!

Learning online with Rocks n Rituals gives you the ability to study from your own home, anywhere in the world. If you miss any of the live classes they are all recorded and placed in the course platform so you will never miss anything. And you can use the course for future reference and go back over the material as often as you want!

JOIN OUR CLASS

Online classes with every lesson stored in the course area for future reference. Join from anywhere in the world. The only requirement is that you have a good standard of English so you can understand the course content with ease.
